

Mr. Erich Afrikaner

Erich is a research specialist educated at the Concordia College in Windhoek. He works as Project Manager for the Mapilelo Project at New Dimensions Consultancy (NEDICO). He is responsible for the overall management of the Mapilelo Project (Community Based HAART/PMTCT Support Programme) in the Caprivi region, Namibia.

Erich's other roles at NEDICO include Monitoring and Evaluation, and coordination of various research projects.

He has vast experience in research projects and management acquired working in several SADCC countries. It is this developed research competency that makes him a key participant in the STFTAP.
