

**Ms Noma MTSHALI**

Noma holds a Masters in Social Work and is a qualified professional nurse and midwife. She also holds a Post Graduate Diploma in Management of HIV in the World of Work and is currently employed with Mpilonhle Project as Operations Director.

She is at home in community work, which was her major in her studies towards her Masters.

Noma considers herself an expert on “positive living” issues. At Mpilonhle she is responsible to assist HIV/AIDS infected people cultivate food gardens. The goal is to have them eat nutritious food. Her other skill is crafts development, production and marketing.

Noma would ideally fit in community mobilization and capacity building on the STFTAP.
