

Mr Phathuxolo Mgumane

Patuxolo works as Programmes Manager for Bambisanani Project. He is responsible for implementing, facilitating and reviewing programmes.

He provides support to field workers but also participates in the organisation's community mobilization initiatives.

He also worked for love Life in youth programmes as a groundbreaker, where they were doing edutainment in schools.

He also attended a short course in First Aid where he got the certificate.

His knowledge and experience in managing programmes at grassroots level make him a welcome member of the STFTAP.
