

Loide Nuushona Namandje

Loide holds a BTech degree in Accounting and Finance. She is Finance and Project Administrator for NEDICO's Mapilelo Project. Her other responsibilities include project fund management, Community Based Organisations (CBOs) funds inspection and providing training on basic book-keeping to the CBOs.

Training is Loide's forte. Other than the basic book-keeping training, she also offers courses on Pastel Accounting System Training and Fund Management Training.

She published a training manual called Basic Book-Keeping, Version 1 in 2006

Her experience in training and monitoring and inspection of funds makes her a significant contributor to STFTAP.
