

Mrs Lindiwe OSAZUWA

Lindiwe holds several diplomas in Public Relations, Project Management and Business Management. She is owner and CEO of Kubatana (Pty) Ltd, a Public Relations and IT company.

As a public relations diploma graduate, Lindiwe has experience in media strategy development, project management and implementation of communication strategies, event management including product launches, media and community events.

She also enjoys a good relationship with media in the areas of health, community development and corporate communications.

For the STFTAP her experience in public relations, community mobilization events, fund raising campaigns and media relations, will be beneficial.

Lindiwe believes that she can also add value to the STFTAP's efforts to equip the beneficiaries through her training capabilities which she gained through the SmartXchange SMME programme where she holds training seminars yearly on proposal writing and presentation skills.
