

Mr Tebatso PAUL

Tebatso holds a Masters Degree in Social Work (Health/ Clinical Specialization) from Washington University. He is Senior Consultant in the Public Health Department at the Institute of Development Management (IDM). He has worked closely with international agencies in health education and prevention including the US Centers for Disease Control and Prevention (CDC)

He is responsible for the design and implementation of training programmes for professionals in health management, research and consultancy. The courses include HIV/AIDS counseling, Psychosocial Support to Orphans and Vulnerable Children (OVC), Monitoring and Evaluation and Gender and HIV/AIDS.

Tebatso has co-written a survey and abstracts on HIV/AIDS. His experience in designing training programme material on HIV/AIDS-related subjects makes him a welcome participant on the STFTAP.
