

Miss Nombuyiselo B. Tshumane

Nombuyiselo has a diploma in Communicable Diseases and Auxiliary Nursing. She is Director of Bambisanani Project. Her roles are mainly management, advocacy and training. She prefers to be hands-on with training of workers at her organization.

Nombuyiselo considers advocacy and community mobilization as her strengths. She is also a skilled negotiator.

She is a member of the Nursing Council. She will contribute effectively in the STFTAP advocacy team.
